The Musical Museum Kew.
Christmas Concert and afternoon tea

A fun afternoon of festive entertainment for groups with afternoon tea

This year's concerts feature music from stage and screen including favourites, *White Christmas, Have Yourself a Merry Little Christmas* and other iconic numbers to get your group into the festive spirit. The museum's resident organist, Chris Barber, plays the Mighty Wurlitzer.r. He is joined by soprano, Eleanor Rastall and guests in a show that features spectacular lighting and projection to create a Hollywood Christmas special.

All visitors will be seated at tables and will be served a seasonal afternoon tea, plus Christmas crackers and a glass of prosecco.
