Greys Court and Thames Boat Trip

Monday 29 April 2024

COACH TRIPS ARE EXCLUSIVE TO LCA MEMBERS

Greys Court is an intimate family home and peaceful estate set in the rolling hills of the Chilterns. Now owned by the National Trust, you are able to explore this 16th Century Mansion and garden.

On arrival you will have an introductory talk about the history of the house and gardens. There will then be free time to explore the house, walled garden and the 75 hectare estate.

On display in the Cromwellian room is a temporary exhibition of work by local artists as part of the 2024 Henley Arts Trail. The botanical theme is captured in a range of media including ceramics, oils paint, watercolour, acrylic and pastels.

After lunch (not included), there will be a short coach ride to the Thames to enjoy a 1 hour boat ride before getting back on the coach to come home.
